In order to attend these sessions, students must follow these procedures:

- To attend a session, students **MUST SIGN UP IN GUIDANCE BY 3:00 PM THE DAY BEFORE** the presentation. Only the students who signed up will be allowed to attend the presentation. Attendance will be taken at the session and reported to the office. **Please sign up even if you have a spare.**
- Students will be allowed to sign up for a maximum of **5 sessions**. If you can't make a presentation that you signed up for, please let Mrs. Lennox know.
- All students are to report to class and wait to be called to the presentation. Following the presentations, students are to report back to their class.
- Students are expected to stay for the **entire session** and be respectful to the presenter. **No talking, eating or cell phone use during the presentations is allowed.**

- Any student who displays inappropriate behaviour will be asked to leave the presentation and will not be able to attend any of the remaining sessions.
