Tuesday June 27	EXAM CONFLICT DAY			

STUDENT EXPECTATIONS DURING EXAMS

- If a student has **any questions** regarding this schedule, please see Mr. Stranges or Mr. Atamanyk.
- All students will be assigned an EXAMINATION CARD. The number on this card must be written on each page of the examination. Students are not to write their names on the exam. Only those students who have returned **all** textbooks and overdue library books, including restitution of all school fines, will receive the examination card. If you misplace your exam card after receiving it, you must purchase another one **(\$2.00)** at the main office
- Textbooks will be collected as specified by your subject teacher. Failure to hand in a textbook will result in the withholding of a Report card and / or Transcript until restitution or the return of the textbook has been made.
- **Students** are solely responsible for knowing the dates, times and location of each examination.
- Uniforms do not need to be worn during exams. Appropriate out of uniform attire is required. Hats cannot be worn in the school.
- Missing an exam, **without** a medical certificate, will result in a **zero** on the examination and a possible loss of credit. Permission to make alternate arrangements to write an exam is only granted by administration.
- In case of any emergency school closure during exams, they will be postponed for that day and the exam schedule will be pushed back one (1) day.
- There will be **NO** cafeteria service during the examination period.

- There will be no mid-day routes, and buses will pick students up at 2:15 pm.
- The library will be open for quiet study only during the exam period.
